NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER 2010

1. STATEMENT OF ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

1.1. Basis of preparation

The audited financial statements have been prepared in accordance with accounting standards generally accepted in Ireland and Irish statute comprising the Companies Acts 1963 to 1983 and 1990 to 2009. Accounting Standards generally accepted in Ireland in preparing financial statements giving a true and fair view are those issued by the Accounting Standards Board and published by the Auditing Practices Board in the UK and Ireland.

1.2. Cash flow statement

The company meets the size criteria for a small company and therefore, in accordance with FRS1: Cash flow statements, it has not prepared a cash flow statement.

1.3. Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less accumulated depreciation.

Cost includes prime cost, overheads and interest incurred in financing the construction of tangible fixed assets. Capitalisation of interest ceases when the asset is brought into use.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost less residual value, of each asset systematically over its expected useful life, as follows:

Fixtures, fittings & equipment	-	20% Straight Line
Computer equipment	-	20% Straight Line

The company undertakes a review for impairment of a fixed asset if events or changes in circumstances indicate that the carrying amount of the fixed asset may not be recoverable. To the extent that the carrying amount exceeds the recoverable amount, that is the higher of net realisable value and value in use, the fixed asset is written down to its recoverable amount. The value in use of fixed assets is determined from estimated discounted future net cash flows.

1.4. Income Policy

Income of the company is accounted for on a receipts basis, and expenditure is accounted for on an accruals basis.

2. INCOME

The total income of the company for the year has been derived from its principal activity wholly undertaken in Ireland.
